Dear Sir

HALLOW NEIGHBOURHOOD PLAN - REGULATION 16 CONSULTATION

I refer to your email of the 14 January 2021 in relation to the above consultation.

As you are aware we previously provided a response to the draft Neighbourhood Plan in July 2020, Ref: SV/2010/104077/OT-14/IS1-L01.

Having now reviewed the Submission Draft Plan, dated December 2020 (Plan Period 2021-2041), we confirm we have no additional comments to add. In line with our previous advice we would only make substantive further comments if the Plan was seeking to allocate sites for development in Flood Zones 3 and/or 2 (the latter being used as the 1% climate change extent).

Yours faithfully

Mrs Anita Bolton
Planning Advisor
