Proposed Neighbourhood Green Space at Hayslan Fields Malvern

Please use the space below to make comments on this part of the Neighbourhood Plan.

I support the current SWDP (November 2018).

Under the "Objectives para 6.8 / 12-13 it states ...

12. To maintain open landscape and prevent the merging of settlements in both Green Belt and non-Green Belt locations.

13. To protect the Green Infrastructure Network and take every opportunity to increase its coverage and quality.

This in no way detracts from the need to provide additional homes but is designed to improve the environment for the people living in Malvern.

We should not have to defend the Hayslan Fields yet again as it has gone to the highest authority and it was agreed that the designation of a "Green Space" was in fact correct. Surely we don't need to spend yet more money in this cash strapped era to defend what has already been agreed.

These fields provide recreational space for many and provide a "pleasant walking opportunity" for those in the Pickersleigh area to walk to the town and as such should be protected.

Please use a separate form for each representation.
