Proposed Neighbourhood Green Space at Hayslan Fields Malvern

Please use the space below to make comments on this part of the Neighbourhood Plan.

I strongly support the proposal that Hayslan Fields be designated Neighbourhood Green Space.

With the ever increasing expansion of Malvern, it is more important than ever to keep this site as part of the Green Corridor, providing valuable environmental and natural benefits.

With so much emphasis being put on people's health and well-being, plus the damage we are causing to the environment, we are now actively encouraged to walk and cycle more, leaving the car at home, Hayslan Fields always have and continue to be, regularly used by the local community for that very purpose, therefore I feel the designation of Neighbourhood Green Space is appropriate for these fields.

Please use a separate form for each representation.
