Proposed Neighbourhood Green Space at Hayslan Fields Malvern

Please use the space below to make comments on this part of the Neighbourhood Plan.

We hope that consideration will be given by the S Worcs Council to the fact that the Hayslan Fields has been designated as a green lung for the residents around this area (and even from beyond) It's our only bit of green space to walk our dogs, let our children play safely away from traffic, enjoy a walk through to town in summer and winter. We have no other available parks here and not everyone is able to enjoy the hills, especially old and disabled people whereas they can enjoy the flat are of the fields.

Please help us to preserve our hard won bit of rural joy here in Pickersleigh ward. It is already well developed and the traffic has become worse and worse since we moved here 18 years ago. Developing this space would create so many problems and disruptions.

Thanks for your consideration

Please use a separate form for each representation.
