FAO: Ellie Muckle,

Dear Ellie,

Hallow Reviewed Regulation 16 Neighbourhood Plan

I refer to your email of 22 September 2023 with regards to the Hallow Regulation 16 Neighbourhood Development Plan (NDP).

We previously referred you to the pro forma guidance and provided comments at the Regulation 14 stage (copy attached), offering comments on your site allocation (HAL1) and note this allocation still remains the same from a fluvial flood risk perspective. On the basis that the current submission is similar and proposes no sites in Flood Zone 2 or 3 we would have no further comments to offer at this time.

I trust the above is of assistance at this time.

Yours faithfully

Mr. Ewan Burvill
