The whole draft Neighbourhood Plan

Please use the space below to make comments on this part of the Neighbourhood Plan.

I have read the very comprehensive Neighbourhood plan and fully support it. I believe that it will both protect and enhance the village in the future.

The level of details shows the considerable amount of work that has gone into it and pleases me that the people who have been part of this steering group, genuinely have the village's continued survival/heart in mind.

It also shows that the thoughts and ideas of our young members have been supported and provided for.

Please use a separate form for each representation.
