Please state which part of the draft Neighbourhood Plan (i.e. which section, objective or policy) your representation refers to (please use a separate form for each representation):

Appendix 1

Please use the space below to make comments on this part of the Neighbourhood Plan.

1. I have always been led to believe that the Oast Houses lie in the curtilage of a listed building and that the listed building is Baynhall Farmhouse, but the Farmhouse is not included in your list. Is this simply an omission or oversight?
2. I note the suggestion that the Oast Houses should be proposed as designated Heritage Assets. Am I right in thinking that the current owners will be consulted before any proposal goes forward?
3. The placename 'Baynhall' is consistently misspelt as 'Baynall' in Appendix 1, and indeed throughout the Plan, and should be corrected before submission.

Please use a separate form for each representation.
