Please use the space below to make comments on this part of the Neighbourhood Plan.

I support fully the Town Council's identification of Key View Routes and Key Viewpoints, as they are not only important for tourism but also for residents to enjoy. This is especially true of the approach to Malvern along the Guarlford Road, where the Council has identified an important 'corridor' of green space'.

The Town Council is to be commended for such a detailed and thoughtful Neighbourhood Plan.
