Please state which part of the draft Neighbourhood Plan (i.e. which section, objective or policy) your representation refers to (please use a separate form for each representation):

Proposed Neighbourhood Green Space at Hayslan Fields Malvern

Please use the space below to make comments on this part of the Neighbourhood Plan.

We are writing to give our full support to the proposal that Hayslan Fields be designated as Neighbourhood Green Space.

Hayslan Fields provide an open flat green space with spectacular views of the Malvern Hills that give great amenity value to the area and the footpaths are frequently used by the local community for a variety of recreational purposes.

We regularly use the footpaths across Hayslan Fields to walk into different areas of Malvern because they give us a peaceful, scenic route away from the traffic which increases our enjoyment of getting out and our health and wellbeing. In addition the fields and woodland provide a wonderful habitat for a wide variety of birds and wildlife. We also believe that the fields play a role in providing drainage from the hills which reduces the risk of flooding in the area.

There have been several applications to develop the fields for housing over the years but they have always been refused because it has always been proved without doubt that Hayslan Fields provide a highly valued amenity value to the area so we urge you to support designating it as a Neighbourhood Green Space.
