Dear Ms Dale

**MARTLEY, KNIGHTWICK AND DODDENHAM NEIGHBOURHOOD PLAN -  
REGULATION 16 CONSULTATION.**

Thank you for the invitation to comment on the Martley, Knightwick and Doddenham Draft Neighbourhood Plan. Our previous substantive Regulation 14 comments remain entirely relevant, that is:

*“Historic England is supportive of both the content of the document and the vision and objectives set out in it. We particularly commend the use of historic characterization to provide a context and a sound evidence base for well thought out and comprehensive Plan policies for the historic environment.*

*The emphasis on the conservation of local distinctiveness and variations in local character through good design and the protection of local built and landscape character, including important views, farmsteads and archaeological remains is to be applauded.*

*The plan is well written, well-considered, concise and eminently fit for purpose. We consider that the Plan takes an exemplary approach to the historic environment of the Parish”.*

I hope you find this advice helpful.

Yours sincerely,
